

# Multi-Generational Family Holiday at The Shorea (2022)

## **TIME TOGETHER AND TIME APART**

Successful Multi-Generational Family Holiday hinges around maximizing quality time together. That means there is a balance between spending time entertaining one another and reconnecting with yourself. From the young in age to the young at heart;

The Shorea's Guest Experience Makers (GEM) are here to assist with your stay and ensure everyone's holiday wishes are granted.

## **RECONNECTING NATURE & FAMILY BONDING**

Take your pick, it's on us!

Book the 3D/2N Multigenerational Family Packages and you will receive these complimentary experiences per villa per booking:

In-Villa Family Dining / A Night with the Stars (Outdoor Cinema - weather permits)/ Family Jungle Trekking (weather permits)/ Edible Garden Harvesting

## **SPACE FOR THE WHOLE FAMILY**

Our Multi Bedroom Villas (ie Rafflesia Duplex/Cassia Duplex/Begonia Duolex/Villa Shorea) with en-suite facilities afford privacy for all age groups of the family thus allowing family members to have their quiet space when needed. All villas have generous communal space to allow gathering for family activities such as recreation, dining and relaxation. All our villas have spacious pools for all the family to enjoy and are only a few steps from the resort's expansive forest.

## **FAMILY-FRIENDLY MEAL TIMES**

We serve in-villa breakfast with menu of your choice; keeping it a home-styled experience, or you could head out to the Dining Pavilions to enjoy the Selected Menus and the Chef's Daily Recommendation. Lunches and dinners can be taken in all of our dining facilities and alongside this, we can organise private lunches and dinners.

Allow us to arrange a chef and service host to deliver in your villa or in one of our numerous private dining offerings from In-villa 'Barbecue Under The Stars' to Private Family-style Dining for all to enjoy.
